

Virtual Conference Programme

Saturday 21 June 2025 - 2pm-5.30pm

Online on Zoom

Overview

In April 2025 we held our annual conference in London. We recorded the presentations and are offering the highlights at this online event. We're also bringing the speakers back to do live Q&As so you get a chance to ask your questions. This is a great opportunity to benefit from the event without leaving the comfort of your own home. The recordings will also be available to watch later (for a month) for those who can't attend on the day. We are offering an optional discussion in small groups for the last half hour. This will be a chance to meet others and share thoughts and reflections.

Time	Activity
2pm	Welcome and introduction to the day - Danny Ruddock
2.05pm	Meeting the donor: Paul and Leo in conversation Paul, a former sperm donor, and donor conceived Leo talk about meeting and their evolving relationship
