DONOR CONCEPTION NETWORK

Clinic Supporter Scheme

Information Leaflet

What is the Donor Conception Network?

The Donor Conception Network (DCN) is a charity that provides essential resources to support the creation of families by donor conception. We help would-be parents navigate the complex world of donor conception, sometimes with surrogacy, and support donor conception families as their children grow.

What is the Clinic Supporter Scheme?

We are looking for **ongoing support from clinics** who understand the particular challenges of using donor conception and who are keen to work with us as we develop our next exciting areas of support and resources for individuals, families and children.

What are the benefits to your patients?

We know that there are lifelong implications of using donor conception for parents and for children. Becoming a **DCN Clinic Supporter** is a tangible way of demonstrating your commitment to the long term well-being of those families, ensuring they have a place to go for support, information and community whatever arises.

The benefits to you

Our **Clinic Supporter Scheme** offers you the opportunity to support DCN's work and to develop a longstanding relationship with us as a **leading authority in donor conception**.

Here's what we offer our Clinic Supporters:

- A listing on our website
- A DCN Clinic Supporter badge for use across your digital platforms
- DCN professional membership for up to 5 staff
- Digital and printed copies of our magazine, *DCN Perspectives*
- A chance to tender contributions to our magazine and website
- Our regular *Friday Bulletin*, curating the latest news and insights
- The opportunity to attend DCN member events
- Support for staff on donor conception-related questions

> **Being a DCN Clinic Supporter reflects our ongoing commitment to supporting donor conception families, during treatment and in the years that follow**
>
> *- Carole Gilling-Smith, CEO, Founder & Medical Director, The Agora Clinic*

Become a supporter today

Fee - £500 per year*

*Per clinic. Discount available for multiple clinics/clinic groups

What to do next

If your organisation is a clinic or sperm/egg bank, we'd love you to join our Clinic Supporter Scheme. To find out more, please get in touch:
